Hackathon

Senthilkumar Sockalingam Kathiresan & Yannick Weitz

March 23, 2017

1 Introduction

2 ROS

3 Hackathon
3.1 First task
Approach
limitations
3.2 Second task

4 course

Table of Contents

1. Introduction

personal description

Senthil :

- Age: 23
- From: India
- Studied: Robotics

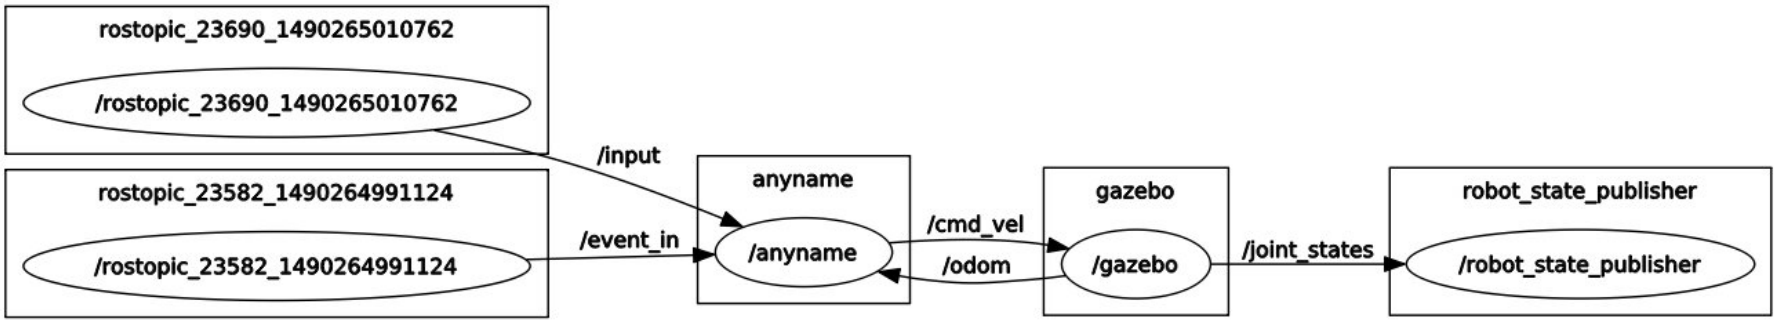
Yannick :

- Age: 22
- From: Germany
- Studied: Biomimetics

Table of Contents

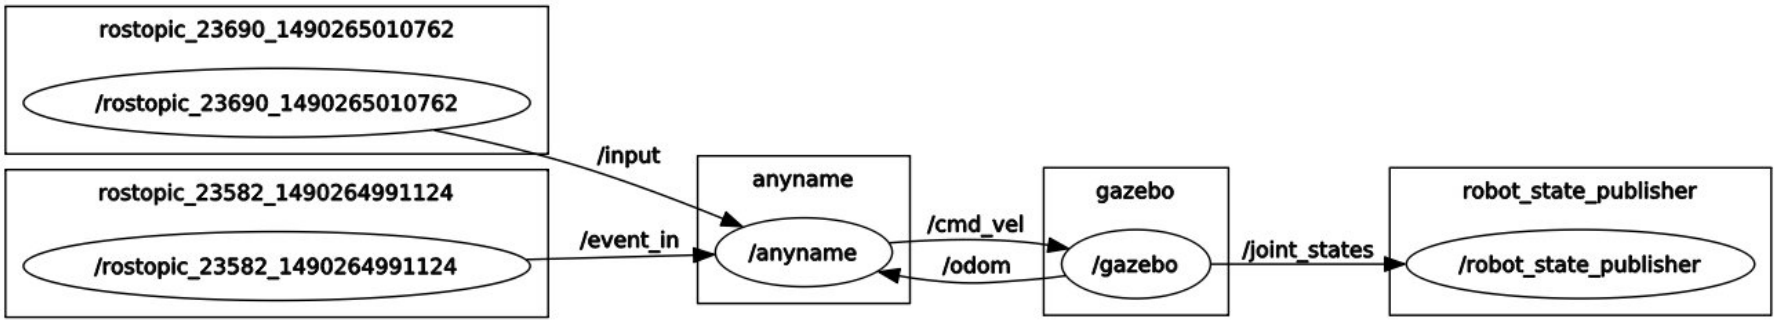
❷ ROS

what have we learned



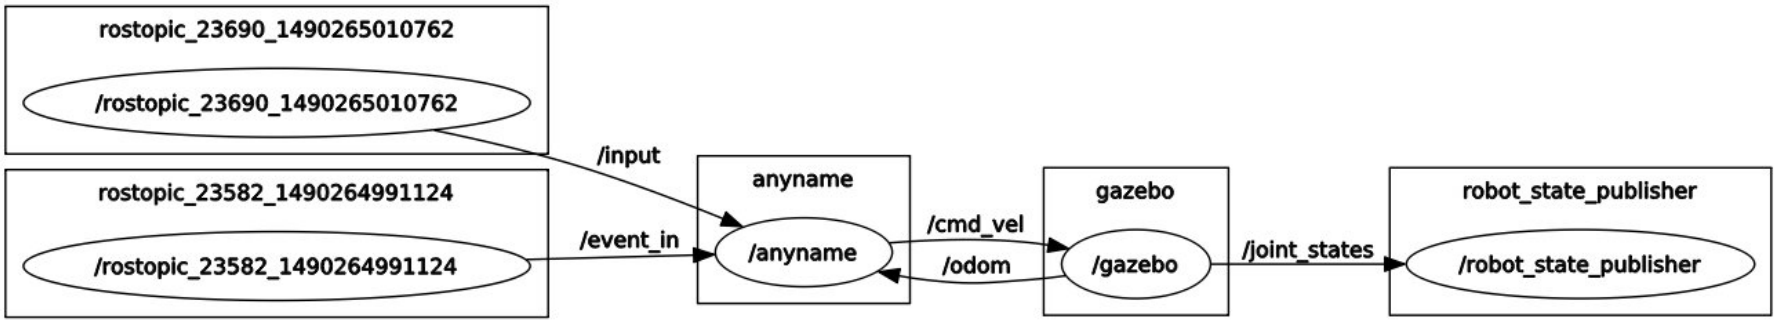
- creating work spaces and packages

what have we learned



- creating work spaces and packages
- nodes

what have we learned



- creating work spaces and packages
